

# GRANT APPLICATION

HOME SWEET HOME

[HSHFunds@gmail.com](mailto:HSHFunds@gmail.com)

Due to the incredible generosity of the public in donating towards Home Sweet Home over Christmas, more money was raised than needed for the carrying out of the occupation of Apollo House. We want to keep the spirit of Home Sweet Home alive by, in turn, awarding one-off grants to groups or organisations whose ethos, actions and goals are in keeping with those of Home Sweet Home, and with the wishes of those who donated. Home Sweet Home came together because those involved saw the homeless crisis as something that was being perpetuated because those affected were excluded from the national debate and ignored by politicians. We want to support grassroots groups who are fighting against homelessness in their communities and making it an issue that cannot be ignored by those in power. We are awarding grants of up to €5,000.00 to grassroots groups working around community projects, housing issues, or campaigns.
